

August 9, 2017

Each year, the Wilchester Elementary School PTA provides numerous programs that greatly enhance the education of our students. This is due in part to the support and generosity of our local community. *We hope that you will consider making a contribution to this year's "Let's Crush It" Underwriting Campaign.*

The programs, activities, and materials that our PTA provides each year include additional staff positions, staff development, reading and math enrichment, field trips, science fair, and technology curriculum. We also support the Wilchester staff with supplies, classroom materials, books, and subscriptions.

**Wilchester PTA Use of Funds (2016)**

In addition to supporting our school, participating in our fundraising efforts can be a valuable marketing opportunity for your business. As our school has grown to nearly 900 students, being recognized in our directory, on our website, and in other school materials gives you an advantage in seeking the business of families in our area. ***Underwriters are the only PTA donors represented in our school directory!***

Thank you for your consideration of our 2017 Underwriting Campaign! We greatly appreciate the continued support of our local businesses and organizations in helping to make our students' experiences extraordinary.

To become an underwriter, please return the completed reply form by Friday, September 8th. If you need additional information or have any questions, please contact me at [laramryan@gmail.com](mailto:laramryan@gmail.com) or (832) 978-3231.

Best regards,

Lara Ryan
